

RINGSPANN®

RIMOSTAT® Torque Limiter RSHD

RIMOSTAT® Torque Limiter RSHD

Slipping torques
up to 68 000 Nm

Your benefit

- >> Highest service life due to maximum wear resistance
- >> Friction pad wear indicator
- >> Corrosion protected
- >> Plug and play solution possible
- >> Factory slipping torque preset possible
- >> RIMOSTAT® principle ensures permanent constancy of the slipping torque
- >> Complete delivery with pre-assembled V-belt pulley in the required size and design
- >> Can be combined with flexible and rigid couplings to connect two shaft ends
